PANDEMIC EBT WELCOME HERE!

Pandemic EBT (P-EBT) benefits were sent to children who are eligible for free or reduced-price lunch on a white P-EBT card starting April 2021.

P-EBT cards can be used just like a SNAP/EBT card at farmers markets and are eligible for SNAP Market Match!

1. **GO** to the market Information Booth.
2. **SWIPE** your P-EBT card.
3. **RECEIVE** tokens that can be used to purchase any SNAP-eligible foods.
4. **MATCH** P-EBT benefits with SNAP Market Match. For every \$1 in P-EBT you will receive \$1 in SNAP Market Match, up to \$40, to be used on fruits, vegetables, mushrooms, herbs and plant starts.
5. **SHOP** at different vendor booths and get even more fresh, healthy food!

P-EBT cards can be used in conjunction with SNAP/EBT cards and each card qualifies for SNAP Market Match. This means if a family has both a P-EBT cards and a SNAP/EBT card, they receive double SNAP Market Match benefits!
